Sudipto Bairagi

AI/ML ENGINEER & SOFTWARE DEVELOPER

Passionate Computer Science and Engineering undergraduate at NIT Jalandhar, dedicated to building intelligent, real-world software solutions using Artificial Intelligence, Machine Learning, and Data Science. Experienced in developing applications across Generative AI, Computer Vision, and full-stack development. Proven capability in transforming innovative ideas into practical applications through robust problem-solving, structured teamwork, and user-centric design.

EDUCATION

DR BR Ambedkar National Institute of Technology (NIT) 2024 – 2028

B.Tech in Computer Science and Technology | Jalandhar, Punjab

- Current CGPA: **7.12 / 10.00**
- Relevant Coursework: Object-Oriented Programming, Data Structures & Algorithms, Database Management Systems.

Government Science College 2021 – 2023

Higher Secondary Schooling, HSC (12th) | Dhaka, Bangladesh

- GPA: **5.00 / 5.00**

Government Laboratory High School 2019 – 2021

Secondary Schooling, SSC (10th) | Dhaka, Bangladesh

- GPA: **5.00 / 5.00**

PROJECTS

Smart Shop Inventory Computer Vision

Inventory Management System using YOLO Detection and Automation

- Developed a real-time inventory management tool leveraging object detection models (YOLO) to automate item tracking.
- Designed an intuitive interface to optimize stock monitoring, reducing manual tracking errors.

Smart Query Database Full-Stack Engine

Database Analytics Platform with Advanced Query Management

- Built a comprehensive analytics engine to streamline complex database queries and optimize data retrieval speeds.
- Implemented a user-friendly management dashboard to visualize and analyze database operations effectively.

Smart Study Planner

Artificial Intelligence

AI-Assisted Study Planning and Productivity System

- Created an intelligent educational scheduler utilizing AI to prioritize coursework based on user deadlines and difficulty levels.
- Included productivity tracking modules to optimize student workflow and time management.

LEADERSHIP & EXPERIENCE

Discipline Coordinator

2025 – Present

Cyber Security Club, NIT Jalandhar

- Act as a core member overseeing complete event management and resource allocation for campus-wide technical events.
- Manage student discipline and optimize internal club operations, ensuring workshops run efficiently.

Student Worker

2024 – Present

SWRAC, NIT Jalandhar

- Spearheaded corporate social responsibility initiatives, including donating to Rural Development Camps and tree planting drives.
- Served on the core organizing committee for the Motivational Speaker Campaign, coordinating logistical planning and community outreach.
